\*Everyone must help with cooking, cleaning, and serving each meal. Each person is assigned a meal and your "chef" will help coordinate and appoint you to certain duties. You are responsible for making sure the meal is prepared on time. Tables in the dining room must be cleaned. All dishes must be washed and put away. Kitchen needs to be very clean with all left overs put away and the outside should be cleaned up as well. Remember this is a team effort.

**IF your name is in RED, please see me before your meal prep to get a list of products and / or instructions.**
