

Oh, Ship ~ It's a La Porte Trip!

**July 15th through July 19th
26th Annual Management Retreat**

Get ready to embark on an unforgettable voyage filled with team bonding, professional growth, laughter, and well-deserved relaxation as we set sail on our 2026 Annual Retreat!

We are beyond thrilled that you chose to join us this year. Our annual retreat began as a way to thank a small team that completed a due diligence project back in 2000. Over the years, that tradition has grown into an opportunity to recognize all of our Property Managers, Lead Maintenance, Regional Supervisors, and so many others who help make RCMI successful every single day.

We know how demanding your responsibilities are and realize that stepping away from your property, your family, and your daily routine is no small commitment. Thank you for choosing to come aboard. We truly appreciate each of you.

This year's theme couldn't be more fitting no matter what twist you put on it. The only water you will see is at the lake but let's pretend we are on a cruise ship ~ The S.S. Moxie. From the "crew" to the "pieces of the puzzle", we will talk about how they both matter.

Every successful cruise depends on its crew. No ship reaches its destination because of one person alone. Every captain, officer, engineer, porter, housekeeper, and crew member plays an important role. RCMI is exactly the same. Each of you represents an important piece of the puzzle. Your talents, dedication, ideas, and commitment fit together to create something much bigger than ourselves. Individually we are valuable, but together we build communities, solve problems, create opportunities, and continue moving our company toward exciting new destinations. *Every Piece Shapes the Journey!*

As our company continues to grow from apartment communities to hotels, storage facilities, boutique office space, boat slips, wedding venues, and beyond ~ we're reminded that our greatest strength is not necessarily our properties. Our greatest strength has always been our people. Every new opportunity begins with an incredible team willing to work together and navigate whatever waters lie ahead.

When you received your passport and luggage tag, you officially became a passenger aboard The S.S. Moxie. Think of this retreat as our company cruise. Throughout the week we'll make several "ports of call" filled with learning, friendly competition, relaxation, and plenty of opportunities to reconnect with your fellow crew members.

Of course, every great voyage has incredible partners helping chart the course. Once again, our Supplier Partners have gone above and beyond with their generous sponsorships. Their continued support allows us to create a retreat unlike any other, and we're incredibly grateful for their investment in our team. Please take time this week and when you return home to thank them for helping make this journey possible.

Embarkation Day – Wednesday

Once you've boarded The S.S. Moxie and settled into your cabin, we'll gather for our Welcome Aboard Cocktail Reception and Opening Remarks. Our annual pasta dinner will follow before spending a relaxing evening reconnecting with fellow crew members and preparing for the exciting journey ahead.

Thursday – Our First Port of Call

Wake up to the smell of bacon and fresh coffee before we gather for our first General Meeting. Throughout the day we'll explore new ideas, strengthen relationships, and enjoy activities designed to challenge us while having fun together. Bring your swimwear because we will dock at The Little Grass Valley Reservoir for the afternoon. We have vendors joining us today at the lake to help with games and entertainment. The evening promises great food, entertainment, and plenty of laughs aboard The S.S. Moxie. Make sure you check out the "Casino".....winners will be getting some cash at the end of the end of the night! Play hard and smart!

Friday – Cruise Celebration

Another delicious breakfast gets us underway before a half day of meetings, teamwork, and adventure. Enjoy an afternoon of games and then get ready for some dancing on the Lido Deck. Whether you're ready for a tropical Caribbean vacation, elegant cruise dinner, captain's attire, Hawaiian shirts, resort chic, or your best vacation look, this is your chance to dress for life aboard the S.S. Moxie! Bring your cruise spirit and be ready for an evening of music, dancing, and plenty of fun. As always...there may even be prizes for our favorite passengers!

Saturday – Relax and Enjoy the Voyage

Today is your chance to slow the pace and simply enjoy the journey. Spend time with teammates, participate in activities, share stories, enjoy great food, and appreciate the friendships that make this company special. Massages will be available all day!

Sunday – Final Port

As every great cruise eventually returns to port, we'll gather one last time for a quick breakfast and hug before disembarking. Our hope is that you leave refreshed, encouraged, inspired, and proud of the important role you play in RCMI's continued success.

As we sail home, remember this...

Every piece matters. Every conversation matters. Every challenge helps us grow. Every accomplishment moves us forward.

Thank you for bringing your talents, your heart, and your commitment to this company. Together we continue building something remarkable.

More Details

- ✓ You will receive an email with a link to the retreat website. The website will have the itinerary, rental car information, accommodations, meal and activity assignments, and a list of attendees, plus Supplier Partners sponsorships!
- ✓ You will also receive a separate email with your flight information. Please note: You must have a REAL-ID (driver's license will have a gold star on it). If you do not, then you can provide a passport. If you do not have either one of these, please contact me ASAP. Please check the spelling of your name, have your record locator or confirmation number available at the airport.
- ✓ Check to see if you have a seat assignment and make necessary adjustments, if needed.
- ✓ Sacramento travelers: Please make plans to arrive in La Porte after 1:30 pm.
- ✓ Please allow two hours before departure time for TSA and make sure you allow yourself plenty of time for morning rush hour traffic.
- ✓ Make sure you download the airline app to make it easy for any last-minute flight or gate changes. You can also set notifications. Plus, most airlines have in-flight entertainment that is free on your phone.
- ✓ You can only carry 3 ounces of liquids, gels, or lotions and they fit in a one-quart zip lock bag. So if you have larger items, you must put them in your checked luggage. Do not pack electronic cigarettes or lithium batteries in your checked bag. You can carry them on board with you but not in a checked bag. You should go on the website at www.tsa.gov to learn more about the rules and regulations.
- ✓ Luggage restrictions per airline (please note – you will be responsible for luggage cost to and from La Porte and all airlines only accept credit cards for luggage payment and food/drinks on board):
 - American Airlines – You are allowed one carry on plus a purse or computer bag. Your check luggage must weigh under 50 lbs or you will be charged \$50 at the airport / \$45 pre-purchase online.
 - Southwest Airlines – Your first checked bag is \$45.00 and second bag is \$55.00.
 - United Airlines – Your first bag is 50.00 at the counter and \$45.00 prepaid.
- ✓ Remember to bring clothing for lake day and your costume 😊. We will take our annual RCMI photo in our “family celebration shirts” to be issued upon arrival. The mornings and evenings can be cool so a light sweater will be needed plus comfortable shoes.
- ✓ Remember cell phone service is not available an hour after your drive to La Porte from the airport but you will regain it once you arrive at the hotel. We ask that you turn off all devices on wi-fi you are not using and limit your use from streaming.

I will arrive in La Porte on Tuesday, July 14th, feel free to call me on my cell if you need anything or contact your Regional Supervisor.

I look forward to seeing all of you aboard The S.S. Moxie. If you have any questions before embarkation, please don't hesitate to contact me.

Until then...

*Everyone must help with cooking, cleaning, and serving each meal. Each person is assigned a meal and your "chef" will help coordinate and appoint you to certain duties. You are responsible for making sure the meal is prepared on time. Tables in the dining room must be cleaned. All dishes must be washed and put away. Kitchen needs to be very clean with all left overs put away and the outside should be cleaned up as well. Remember this is a team effort.

IF you name is in RED, please see me before your meal prep to get a list of products and / or instructions.
